

How to Get to Your Admin Panel

A Very Simple Step-by-Step Guide

Step 1: Open Your Web Browser

- First, open your web browser
- This could be Google Chrome, Safari, Firefox, or any browser you use
- Make sure you are connected to the internet

Step 2: Type the Website Address

- Click on the long white box at the top of your browser
- This is where website addresses go
- Type this exactly: `overcomersglobalnetwork.com/admin`
- Press the Enter key on your keyboard

Step 3: Wait for the Page to Load

- The page will take a few seconds to load
- You will see a login screen with boxes to type in

Step 4: Type Your Email

- Click on the first box that says "Email"
- Type your email address very carefully
- Make sure there are no mistakes
- Example: `john.smith@email.com`

Step 5: Type Your Password

- Click on the second box that says "Password"
- Type your password exactly as it was given to you
- Passwords are case-sensitive (big letters and small letters matter)
- If you make a mistake, just click in the box again and type over it

Step 6: Click the Sign In Button

- Look for a button that says "Sign In" or "Login"
- Click this button one time
- Wait for the page to load

Step 7: You Are Now in Your Admin Dashboard!

- Welcome! You should see your admin dashboard
- This is your main control panel
- On the left side, you will see a menu with different options

What You See on Your Dashboard

Left Side Menu (Navigation)

- This is how you move around the admin area
- Click on any item to go to that section
- Only items you have permission to use will be clickable

Main Area (Big Space on Right)

- This is where your work happens
- It changes depending on what you click in the menu

Your Name at the Top

- You can see your name at the top left
 - This confirms you are logged in correctly
-

How to Use the People Section (Most Important)

Step 1: Click on "People" in the Left Menu

- Look for the word "People" in the left menu
- Click on it one time
- The page will change to show people management

Step 2: Add a New Person

- Look for a button that says "Add Person" (usually at the top)
- Click this button
- A small box will pop up asking for information

Step 3: Fill in the Person's Information

- **First Name:** Type their first name (like "John")
- **Last Name:** Type their last name (like "Smith")
- **Email:** Type their email address (if you have it)
- **Phone:** Type their phone number (if you have it)
- **Address:** Type their address (if you have it)
- **Source:** How did you meet them? (like "Sunday Service" or "Online")
- **Tags:** Type words that describe them (like "New Visitor, Member")

Step 4: Save the Person

- Click the "Add Person" button at the bottom
- The box will close and the person is now saved

Step 5: Add Notes About the Person

- Click on the person you just added from the list
- You will see their details on the right
- Look for a box that says "Add a note about this person"
- Type what you talked about with them
- Click the send button (looks like a paper airplane)

How to Add Notes (Very Important)

Why Add Notes?

- Notes help other admins know what you talked about
- It helps everyone work together as a team
- It reminds you what you discussed last time

How to Add a Note:

1. Click on the person's name from the list
 2. Look for the box that says "Add a note"
 3. Type what you want to remember
 4. Click the send button
 5. Your note is now saved with your name and the time
-

How to Mark Someone as "Needs Follow-Up"

Step 1: Find the Person

- Click on "People" in the left menu
- Find the person you need to follow up with
- Click on their name

Step 2: Look for the Follow-Up Section

- On the right side, look for "Follow-Up Status"
- You will see a button that says "Tag for Follow-Up"
- Click this button

Step 3: The Person is Now Tagged

- You will see a red dot next to their name
- This means they need follow-up
- Other admins can see this too

Step 4: Mark Follow-Up as Complete

- After you talk with the person, click "Mark as Followed Up"
 - The red dot will disappear
 - The system remembers when you did it
-

How to Find People Who Need Follow-Up

Step 1: Go to People Section

- Click "People" in the left menu

Step 2: Look for the "Needs Follow-Up" Button

- At the top, you will see filter buttons
- Find the button that says "Needs Follow-Up"
- Click this button

Step 3: See Only People Who Need Follow-Up

- Now you only see people with red dots
 - This is your daily to-do list
 - Contact these people as soon as possible
-

How to Search for a Person

Step 1: Go to People Section

- Click "People" in the left menu

Step 2: Use the Search Box

- At the top, you will see a search box
- It says "Search by name, email, phone..."
- Type the person's name or email
- Press Enter on your keyboard

Step 3: See the Results

- The list will show only people matching your search
 - Click on their name to see their details
-

How to Log Out (Very Important)

Step 1: Look for "Sign Out"

- At the bottom of the left menu
- You will see "Sign Out"
- Click on this one time

Step 2: You Are Now Logged Out

- This keeps your admin area secure
 - Always log out when you are finished
-

Daily Routine (What to Do Each Day)

Every Morning:

1. Log in to your admin panel
2. Click "People"
3. Click the "Needs Follow-Up" button
4. Call or message the people who need follow-up

5. Mark follow-ups as complete when done
6. Add notes about your conversations
7. Log out when finished

Every Time Someone Visits Church:

1. Go to "People"
 2. Click "Add Person"
 3. Fill in their information
 4. Add a note about how you met them
 5. Tag them as "New Visitor"
-

If Something Goes Wrong

Problem: Cannot Log In

- Check your email spelling
- Check your password spelling (big/small letters matter)
- Ask for help if you still cannot log in

Problem: Cannot See a Feature

- Not all admins have access to all features
- This is normal and okay
- Use the features you do have access to

Problem: Cannot Find Someone

- Try searching with different spellings
 - Try searching by email or phone
 - Look through the full list if needed
-

Remember These Important Things

1. **Always add notes** after talking with people
 2. **Always mark follow-ups** as complete when done
 3. **Always log out** when you are finished
 4. **Ask for help** if you need it
 5. **Work as a team** with other admins
-

Need More Help?

If you are confused about anything:

1. Read this guide again slowly
 2. Try clicking around to see what happens
 3. Ask another admin for help
 4. Remember: it's okay to ask questions
-

You Are Doing Great!

Being an admin is important work
You are helping the church grow
Every person you help matters to God
Thank you for serving in this way

Take your time. Ask questions. You've got this!
