

Overcomers Global Network - Admin Panel Guide

Welcome to the OGN Admin Panel! This guide will help you understand the core features available to you as an admin.

Getting Started

1. Access Your Admin Dashboard

- Go to: <https://overcomersglobalnetwork.com/admin>
- Use your admin email and password to log in
- Your dashboard is your central hub for all admin activities

2. Your Role & Permissions

- **Master Admin:** Has access to all features, can manage other admins
 - **Regular Admin:** Has access to specific features as assigned by the Master Admin
 - Your permissions determine which sections you can see and use
-

Core Admin Features

Dashboard

Your dashboard shows key metrics and quick access to your assigned areas:

- **Total Donations:** Live donation totals from Stripe
- **Discipleship Enrollments:** People who've enrolled in discipleship programs
- **1-on-1 Bookings:** Prophet Joshua session requests
- **Recent Donations** (Master Admin only): Latest donation details

People Management

This is your primary tool for managing church contacts and relationships.

What You Can Do:

- **Add New People:** Record visitors, members, and contacts
- **Search & Filter:** Find people by name, email, phone, or tags
- **Assign People:** Assign contacts to yourself (Master Admin can assign to anyone)
- **Add Notes:** Keep communication records visible to all admins
- **Follow-Up Tracking:** Tag people who need follow-up and mark when completed

Best Practices:

- Add notes after every interaction (calls, meetings, emails)
- Use consistent tags (New Visitor, Member, Leader, Volunteer, etc.)
- Mark follow-ups as complete to keep the system current
- Check the "Needs Follow-Up" filter daily

Tags You Can Use:

- New Visitor, Member, Leader, Volunteer, First Timer
 - Online, Needs Prayer, VIP, Youth, Mentor
 - Create custom tags as needed
-

Available Features (Based on Your Permissions)

Content Management

- **Blog Posts:** Write and publish blog content
- **Events:** Create and manage church events
- **Content Pages:** Update general site content and announcements

Community Management

- **Enrollments:** View and manage discipleship enrollments
- **Prayer Requests:** Review and respond to prayer requests
- **Ask The Prophet:** Handle questions directed to Prophet Joshua

Ministry Operations

- **Event Flyers:** Upload flyers for the website carousel
 - **Post Scheduler:** Schedule social media posts
 - **Orders:** Manage book and resource orders
-

Features Reserved for Master Admin

Some advanced features are only available to the Master Admin:

- **Managing Other Admins:** Adding/removing admins, setting permissions
 - **Prophet Schedule:** Managing 1-on-1 session availability
 - **Full Donation Details:** Access to complete Stripe donation history
 - **System Settings:** Advanced configuration options
-

Daily Workflow Recommendations

Morning Routine (5-10 minutes)

1. Check your **Dashboard** for new enrollments and bookings
2. Review **People** filtered by "Needs Follow-Up"
3. Check **Prayer Requests** for urgent needs

Weekly Tasks

1. Add all new visitors to **People** system
2. Update notes for people you've contacted
3. Review and complete any pending follow-ups
4. Check **Orders** if you manage resource distribution

Communication Best Practices

- **Always add notes** after any interaction
 - **Use consistent tags** for easy filtering
 - **Assign people** to yourself when you take responsibility for follow-up
 - **Mark follow-ups complete** to help other admins know the status
-

Getting Help

If You Need Assistance:

1. **Check this guide first** for common questions
2. **Contact the Master Admin** for permission changes or advanced features
3. **Use the Notes system** in People profiles to communicate with other admins

Common Questions:

- **"I can't see a feature?"** - Check with Master Admin about permissions
 - **"How do I assign someone?"** - Go to People → Select person → Assign to Myself
 - **"Where are blog posts published?"** - They appear on the main website blog section
 - **"How do event flyers work?"** - Upload them and they'll rotate on the homepage
-

Important Notes

- **Data is shared:** All admins can see People records and notes (this helps us work together)
 - **Permissions matter:** Only use features you have access to
 - **Communication is key:** Use the Notes system to keep everyone informed
 - **Regular updates:** Keep People records current for effective ministry
-

Security & Best Practices

- **Log out** when you're done using the admin panel
 - **Don't share** your admin login credentials
 - **Use strong, unique passwords**
 - **Report any issues** to the Master Admin immediately
-
