

Admin Panel - Quick Start Guide

Welcome!

You're now an admin for Overcomers Global Network. Here's what you need to know to get started quickly.

First Steps (Do This Today)

1. Log In

- Go to: overcomersglobalnetwork.com/admin
- Use your email and password

2. Explore Your Dashboard

- Check your available features in the left menu
- Look at the dashboard stats
- Notice what you can and cannot access

3. Meet the People System

- Click **People** in the left menu (if available)
 - This is where you'll manage church contacts
 - Try adding a test person to see how it works
-

Your Main Tools

People Management (Most Important)

- **Add new visitors** right after they visit
- **Write notes** after every conversation
- **Tag people** (New Visitor, Member, Leader, etc.)
- **Mark follow-ups** as complete when done

Content (If You Have Permission)

- **Blog Posts:** Write teachings and updates
- **Events:** Create church events
- **Content Pages:** Update website information

Community Care

- **Prayer Requests:** Review and respond
 - **Enrollments:** Manage discipleship sign-ups
 - **Ask The Prophet:** Handle questions
-

Daily Checklist (5 Minutes)

1. **Dashboard** - Check for new enrollments/bookings
 2. **People** - Filter by "Needs Follow-Up"
 3. **Notes** - Add notes for anyone you contacted today
-

What You CAN'T Do (Master Admin Only)

- Add/remove other admins
- Manage Prophet Joshua's schedule
- Access full donation details
- Change system settings

If you need these things, ask the Master Admin.

Need Help?

1. **Check the full Admin Guide** (ADMIN-GUIDE.md)
 2. **Ask the Master Admin** for permission changes
 3. **Use Notes in People profiles** to communicate with other admins
-

Pro Tips

- **Add notes immediately** - don't wait until later
 - **Use consistent tags** - it helps everyone find people
 - **Check "Needs Follow-Up"** daily - don't let people fall through cracks
 - **Communicate via Notes** - other admins can see your work
-

Remember

- We're a team - use the Notes system to keep everyone informed
- Permissions are set by the Master Admin for a reason
- Your work matters - you're helping advance the Kingdom!

Welcome to the team!
